WE'RE BACK!

The last few months have been hectic but we've found our stride maneuvering our new normal. Beginning this month we are back to sending out our monthly ExpressPress highlighting featured products, make + takes, sales, & MORE!

We are also open for regular shopping at our **Plymouth store** - operating under our new COVID-19 response plan as well as with temporary hours to keep our Employees & Customers safe.

Below are a few things to keep in mind when shopping with us:

- Maintain 6 feet for social distancing & follow our floor markings
- Limited store occupancy, more information is posted at the front door
- The store is regularly cleaned & checkout areas wiped down after each transaction
- Curbside pick-up is available when you call-in your order
- Shop by Appointment is still an option - call to reserve your spot
